# ATTN:

# HIGH SCHOOL SENIORS!

The **Pheasant Hunters Dinner** has been an Annabella tradition for nearly 80 years, and for much of that time it has served as a fundraiser supporting Annabella youth.

This year, we're excited to return to the roots of that tradition by using the event as a **fundraiser for Annabella's high school seniors.**

All Annabella seniors are eligible to participate. Those who choose to take part will be involved in every step of the event, including planning, ordering, setup, serving, and cleanup.

Proceeds from the dinner will be divided among the participating seniors and presented to them at the end of the school year, with the intent that the funds help support their continued education.

If you have a high school senior interested in this great opportunity, please contact the **Town office (435-896-6571).**

*It's a wonderful way to carry on a beloved tradition while supporting our youth.*
